A Kentucky Farmer, who has been offered a large sum for his farm in Crittenden County.  
HENDERSON, Ky., Dec. 10.—Several parties here are interested in mineral lands in Crittenden county on the I. C. railroad, and are very much elated over the discovery of gold in that vicinity. Wednesday, while Joe Benton, who resides five miles from Marion, the county seat, was prospecting for minerals on his farm, he struck a vein of minerals, which he did not understand. He had a lump of it examined by an expert, who said there was a large percentage of gold in it. He has already been offered a large price for his farm. Crittenden county has always been known to be rich in minerals, but never before it was thought that gold would be discovered there.

**Is This Your Story?**  
 "Every morning I have a bad taste in my mouth, my tongue is coated, my head aches, and I often feel dizzy. I have no appetite for breakfast, and what food I eat does me no good. I have a heavy feeling in my stomach. I am getting so weak that sometimes I tumble, and my nerves are all unstrung. I am getting pale and thin. I am tired in the morning and at night. What is the trouble? I suppose I have a bad case of indigestion."

**WATER'S PARSAPARILLA**  
 "This one or two of Water's Pills each night. You cannot be cured without using Water's Pills."  
 "I have tried all the other pills in the market, but I will receive a prompt cure from Water's Pills. I have tried them for a long time, and I am cured."

Gen. Henry Issues Letters Detailing the Policy of Mayors in Porto Rico.

POINTS OUT THEIR RESPONSIBILITIES.

Customs Duties and Money Values Must Be Regulated by the United States Congress.

The Towns Are To Be Improved by the Adoption of American Standards—Resort to the Military to Be Had Only When Necessary.

SAN JUAN DE PUERTO RICO, Dec. 10.—Gen. Guy V. Henry, military governor of the department of Porto Rico, in a series of letters to the council, gives further details of the policy which the mayors are urged to maintain in the interest of public health and order.

He points out that their responsibilities have increased with the increase of their field of action. No person is to be imprisoned without specific charges being preferred; all persons now in prison without such charges against them are to be freed; customs duties and money values must be regulated by the United States congress, but the towns are to be improved by the adoption of American standards.

The janitor and his wife and three children were rescued by the firemen. It is authoritatively stated that the Nashville, Chattanooga and St. Louis railway on January 1 will increase wages 10 per cent, thus placing the wages of operatives on the same scale they were two years ago when a cut of 10 per cent was made. A 5 per cent advance was made last summer.
